NSSD 6-84: U.S. Policy Toward the Maghreb

Attached is the first consolidated, uncleared draft of the NSSD on U.S. Policy towards the Maghreb. As will be readily apparent, there has been severe editing of the many fine papers submitted. In carrying out the editing, we have been guided by the imperative to bring the document down in size while hoping to preserve all points of major substance. Further drastic editing will be required.

Your comments and emendations on this draft should be submitted to NEA/AFN by COB Tuesday, October 23. PLEASE DO NOT SUBMIT COUNTER-DRAFTS. For efficiency of producing the next draft, a "line-in/line-out" submission, penned legibly into the current draft, is requested.
